DIRECTOR'S CORNER

Just a little information you will need to know in the upcoming months, please read carefully.

***Just a notice to parents and all visitors, the bathrooms closest to the gym are for "CHILDREN ONLY", adults are not permitted in these bathrooms during normal hours of operation which are 7am to 6pm Monday through Friday. There are bathrooms you may use as soon as you walk in to the right if you need to assist your child before, during or after school starts.

*** Please remember you may not park in front of the school near the sidewalk during drop off and pick up times. Please park your car in the lot and walk your child to class. Never leave any child unattended for any length of time, if you need help, please feel free to call the office.

***The weather thankfully is starting to change; the children will be getting outside provided it's not raining out. Please make sure they are wearing appropriate play clothes and shoes for the playground area. Flip Flops or sandals with no back on them can cause injuries; sneakers are usually the best choice for their feet, for climbing and running. Also, as the sun begins to get a little stronger, we need to start thinking about sunscreen. Please apply to your child before coming to school, if your child is full day, apply in the morning and then feel free to send to school if you feel another application is necessary.

***The school year is winding down, I just wanted to say thank you to all the parents of GSCC for helping us have another successful year! We can't do it without your love and support. Good luck to my PreK students who will be starting Kindergarten in the Fall, you will be truly missed and I wish you nothing but a continued positive and successful school career, and I'm honored that it all started here. To my Preschoolers, you are all so different from when you first came through the doors on that "First Day of School" so proud of each and every one of you, and all the progress you have made, September will hold a whole new host of challenges for you that I know you're ready for! Have a wonderful and blessed Summer!

If you should have any further questions or problems, please feel free to drop by, call or email.
