DIRECTOR'S CORNER

Just a little information you will need to know in the upcoming months, please read carefully.

***** There is no playing at dismissal time on the side yard near the front door. There is a sink hole in the center and it could prove to be dangerous for the children.**

***** Please remember you may NOT park in front of the school near the sidewalk during drop off and pick up times. Please park your car in the lot and walk your child to class. Never leave any child unattended for any length of time, if you need help, please feel free to call the office.**

******PLEASE READ******

*****It is that time of year again; please make sure your children are up to date on all their shots. The flu shot is required for all students, unless they are allergic or there is a religious exemption. If your child is not getting the flu shot do to allergies, please have the doctor write a note and submit as soon as possible, if they are not getting it due to religious reasons, you must write a letter stating this, sign and date it and submit to the office. All other students are encouraged to get it and submit proof to the office. If your child is not up to date on any shots, they need to get them done immediately as the Health Department can insist a student may not return to school until they have been updated on immunizations. Also if you got a 2nd notice home for the doctor it is because the physical for your child is out of date, please submit ASAP, as I have to submit that information to the State of NJ Office of Licensing to prove all students have had their annual physical.**

*****With all of that being said, I want to take this time to wish you and your family to have a very Merry Christmas and a Blessed New Year! Remember, school resumes on January 2nd, See you all in 2018!**

If you should have any further questions or problems, please feel free to drop by, call or email.
